

Plan NH Scholarship and Fellowship Program Applicant Reference Form

To Whom it May Concern:

Plan New Hampshire is an organization of engineers, architects, contractors, and other professionals with an interest in the *built environment* and its impact on New Hampshire's communities. Our purpose is to preserve the quality of life in our communities by encouraging and promoting excellence in sustainable planning, design and development.

The student who has given you this form has applied for either a Fellowship Award (given to students studying architecture, interior design, mechanical engineering or studio art) or a Scholarship (given to students in fields related to sustainable planning, design or development). One of the requirements of either application is to have an adult who is familiar with the student's work in her or his field, either in an academic or work environment, submit a letter of reference. This student has chosen you as one of the two references required.

Could you please complete this form as thoughtfully as possible, and return, with the answers to the questions, **no later than April 7, 2010**, to

Plan New Hampshire PO Box 1105 Portsmouth NH 03802

Your response will be an important component in evaluating students for awards. Your time is much appreciated.

Student name: _____ Your name: _____

Your institution/Company: _____

Address: _____

Department: _____ Your phone: _____

Using the other side of this sheet, or on a separate sheet, please answer these questions:

- In what capacity and when did you work with the student?
- How closely and how often did you work with her/him?
- Please describe your impression of the student's interest and commitment to her/his field of study.
- Please describe your evaluation of the student's talents and abilities as you observed in your contact with her/him and your opinion regarding the likelihood of this student's success in a career in her/his chosen field.
